

APPENDIX A: Primary Target Industries for the COVID-19 NEP

Appendix A provides lists of NAICS codes in general industry from the public COVID-19 Enforcement Data (*e.g.*, complaints, FAT/CAT, referrals, inspections, COVID-19-related violations and HALs) where OSHA data shows the highest amount of workers expected to perform tasks associated with exposure to SARS-CoV-2. Tables 1 and 2 in this appendix comprise the NAICS codes for top healthcare and non-healthcare industries, respectively, with OSHA enforcement activities related to COVID-19 over the past year.

NOTE: Employee exposures to COVID-19-related hazards may occur in industries not listed in this Appendix. Similarly, it should not be assumed that employee exposure to COVID-19 occurs in all establishments within the industries listed in the tables below.

For certain industries not available using ListGen (*e.g.*, NAICS 621111, 621210, 621610, 722511, 722513, and 922140), alternative sources may be utilized (*e.g.*, Reference USA).

Table 1. Targeted Industries in Healthcare by 2017 NAICS

NAICS Code	Industry
621111	Offices of Physicians (except Mental Health Specialists)
621210	Offices of Dentists
621610	Home Health Care Services
621910	Ambulance Services
622110	General Medical and Surgical Hospitals
622210	Psychiatric and Substance Abuse Hospitals
622310	Specialty (except Psychiatric and Substance Abuse) Hospitals
623110	Nursing Care Facilities (Skilled Nursing Facilities)
623210	Residential Intellectual and Developmental Disability Facilities
623311	Continuing Care Retirement Communities
623312	Assisted Living Facilities for the Elderly

Table 2. Targeted Industries for non-Healthcare by 2017 NAICS

NAICS Code	Industry
311612	Meat Processed from Carcasses
311611	Animal (except Poultry) Slaughtering
311615	Poultry Processing
445110	Supermarkets and Other Grocery (except Convenience) Stores
452112	Discount Department Stores
493110	General Warehousing and Storage
561320	Temporary Help Services*
722511	Full-Service Restaurants
722513	Limited-Service Restaurants
922140	Correctional Institutions

***Note:** Establishments within the Temporary Help Services (NAICS 561320) industry should not be automatically included in the targeting list for programmed inspections. Although this industry has been among the top industries with OSHA enforcement activities related to COVID-19, this has primarily occurred where services occurred at host healthcare facilities and other high-hazard workplaces. Therefore, to effectively address SARS-CoV-2 hazards for Temporary Help Services, where OSHA is conducting an inspection for other purposes, a COVID-19-related inspection shall be opened for all hazardous conditions observed in plain view (such as, for example, temporary employees working in high exposure areas without adequate PPE).
